

Brentwood Bay Power & Sail Squadron

A big thank you to Dave Jackson Manager CHS.

The Westover Memorial Shield for the highest overall pass average was won six consecutive times in a row by Brentwood Bay Squadron.

Dave Jackson, Craig Lessels, Neil Murphy, and Liz Oliphant CHS share their time and expertise in our classes to make our students safer boaters on the water. They all participate in CHS Tours. We do an

intro to the MAREP Program that in the Brentwood Bay Squadron is alive and well. MAREPs can be sent directly to CHS.
