

The First Edition of the VISD Rudder Newsletter!

At the September meeting the District Council set some goals for the coming year, including creating a VISD newsletter that will be published three times a year and distributed to all members of the eight VISD squadrons.

A sincere thank you to Fred Graves of Oak Bay Squadron for raising the idea of a district newsletter, and for seeing it through to production.

It is my pleasure to share the first edition with you. You'll find information on upcoming events, opportunities to volunteer, information on the CPS Strategic Plan, news of the 2009 CPS Conference and AGM, and much more.

The next issue is planned for January 2010, so if you have an event you'd like to share with all the members of VISD squadrons, an article you'd like to submit, or newsworthy items, please send them to me at districtcommander@visd.org.
